

CurrentCare Guidebook

A guide to patient information available in CurrentCare

April 7, 2016

Benefits

- ✓ Save staff time
- ✓ Improve patient care
- ✓ Reduce readmissions
- ✓ Increase care coordination
- ✓ Meet performance programs

Medications 2

Diagnostic Imaging 2

EKG Imaging 2

Lab Results 3

Hosp. Encounters 4

Clinical Summaries 7

Medications

Medication Reconciliation is easy with CurrentCare!

Pharmacies

Any prescription at:

- CVS
- Rite Aid
- Walgreens

Pharmacy Benefit Managers

Prescriptions at any pharmacy through:

- CVS Caremark
- Express Scripts
- Medco
- Optum Rx

EKG Imaging

EKG Images are available at the touch of a button.

Hospital System

Care New England

- Kent Hospital
- Women & Infants Hospital

CurrentCare by the Numbers

385 data sources

440,000+ active enrolled patients¹

4,000+ patients enrolling monthly

400+ partners enrolling patients statewide

49.1 million transactions posted to patient records

¹ As of 4.7.16

Diagnostic Imaging Reports

Quickly find imaging reports and avoid duplication!

Independent Facilities

- Advanced Radiology
- Coastal Imaging
- Open MRI of New England
- Rhode Island Medical Imaging
- XRA Medical Imaging

Hospital System
